Our mother, Betty Jordan, asked me to say she wished she could be at her sister's service but she can't.. That she loved her little sister so much and will always remember their good times when Mary came to spend time with her..

I am so sorry that I didn't know about Mary's death...But it is never too late to offer a prayer on behalf of the family for comfort and strength. I will remember as she was - always smiling with kind and sweet words to everyone that she met....
