“ Sending much love to all the Andersons. I so enjoyed knowing Mea as the kids' (Kristin, Jenna and Nick) teacher and interacting with her in Muskogee Public Schools. She was always so supportive of everything that was good for kids. Sincerest condolences to all.

“ *I went to school with Mea, and we played softball together for years. She had a beautiful spirit and joy then, and in later years. Mea was a great mother and friend. All the kids at Tony Goetz loved her, and she will be missed greatly. She fought valiantly, and now she is at peace. Prayers for peace and comfort to all her family and friends.*

“ *But, by the Grace of God go I. Mea fought the good fight with grace and courage, but God must have needed another Angel. Although we were not related by blood, we shared many precious connections. Mea loved her family with her entire being. My heart aches for you all, and you are in my prayers. With much love. Karen Spradlin Kinsey.*

“ *Mea and I, along with my brothers and sisters grew up together in Country Club area. She was always one of the sweetest person. She was kind to me when I arrived at Harris Jobe. Helped me at AR and MHS. I really saw her kindness at OSU when I came to Rush. She never pushed me to join Alpha Chi and was a true friend when I didn't. Although I should have listened to her. She will be missed. My thoughts are with her family. My memories with Mea will always be special. Love to all, Kelly Wiggins Condley*
