“ I couldn't bring myself to come to ur viewing, you knew me like nobody else ever has and you always knew how I felt about viewings and how I don't handle loss at all... You have been my 2nd mom since feeding me at church camp, I can't think of u being gone, I'm just not ready... I know I'm going to need to process this pain at some point but I can't right now... The talks we always had, the multiple memories we have made, I can't stand to think lunch a few weeks back was the last one or the TJ maxx shopping trip right after that won't happen again... I would give anything to have hugged u longer that day or set at that lunch table just a few extra hours... we sat in my car kekeing it up with Trevor that day and I drove away with such a smile... You have always been there for me with zero judgment when others have not... you welcomed me to be a sister to Trevor and Caleb and that will last a lifetime... Our sibling bond will never break I give u my word... I love u Momma Mel from the ground to the sky and I Thanku for always loving me back... My heart is shattered but I know u are with me and u will help me sort thru all of these broken emotions... U know that I've always refused to say goodbye and I will only agree to saying I will see u later... I ❤️ U so much

“ My family would like to extend to you our deepest sympathy. We were truly saddened to hear of her passing...but always remember that a person's life is not judged by how they lived. but rather by the way her life touched and enriched the lives of those that she ever encountered. We can attest to the fact that Her life reflected the Golden Rule - for she loved every person that she met and she would always treat every person the way she herself wished to be treated.

“ *Melanie was a dear friend and sweet soul that will be missed. I believe that she is walking on streets of gold up in Heaven, with loved ones and friends who have gone on before. I love you Melanie, and thanks for always being there for me emotionally. From Sequoyah Elementary to AR to MHS, we were solid friends and friends for life! Prayers for the family during this heart wrenching time.*

“ About 5 yr ago I attended the Class of 73 60th Birthday Reunion. Toward the end of the Reunion Melanie showed up looking for me, she said she came there just to see me. She touched my heart, made me feel so special, she insisted on giving me a ride to my cousin's where I was staying. We had a great visit along the way and at my destination. The very next day I invited her to lunch where we caught up. I feel so fortunate to have had this special time with her. She was the Sweetest kindest Soul I've ever known. Melanie you are forever in my Heart, Love you.

Rebecca Carden. I was sad to hear of the death of my cousin Melanie. I live in Missouri but we came back to visit family. We got to see Melanie and her kids on Sundays after church sometimes at the pizza place we loved. She was always very glad to see any of the family and they enjoyed to hear about the families. My first daughter born in 1959 was named Melanie after her. She will be missed!
