“ *I was in disbelief and heartbroken when I heard about Mindy passing away. She was way too young for that to happen. Mindy was a shining light and a great friend to so many. Mindy had an infectious personality that would light up a room. There is not a person that she met who did not fall in love with her smile, her warm personality, and her ability to make any person feel like family. My sincere condolences to the Dunlap family for your tragic loss during this difficult time. Larry Dean Childers*

“ Sorry to hear about the passing of Mendy. She was such a great friend to all and had to best personality. Plus a pretty competitive side! Lot of memories playing something at recess in middle school....plus Mendy dumping me in a mud puddle :). Great memories that I will always cherish. Thoughts and prayers to the Dunlap family.

“ Mendy had an incomparable athletic ability in all sports she played, her ball handling skills were impressive. Also impressive was Mendy's awareness of others and she treated everyone kindly, she also liked to laugh. Just as impressive as her athletic skills was her smarts, you will be missed.
