“ Oh sweet pineapple 🍍 I will always remember the laughs, the hugs and many times you called me a smarty pants. I still think you laughed way too hard when the water hose exploded on me though. I am glad you got that laugh though. I will miss your hugs, the way you always appreciated my help, and welcomed me into your life to make memories that will last a life time. I hope you are singing, dancing , and please hug my momma for me. Love you and see you again , amy
