“ We're so sorry to hear of Dr. Breedloves passing. He was a wonderful person and doctor. He is the reason my husband is in better health today than he would have been. Dr. Breedlove conveyed just how important it was he quit smoking..with his help my husband accomplished that. That message was then passed along to me. Mike was very kind. And such a good soul. I remember him at our local swimming pool with his sweet family..He sure loved his time with them. He will forever be missed..Prayers and condolences to his family and friends.
