“ *Mike was my best friend, back in 5th grade, Mrs. Graham's class at Tulakes Elementary, in Oklahoma City, back in 1977-78. I was the 'new kid' in the class, and Mike befriended me. But with my parents' divorce, I moved to another school and lost contact with Mike. I wish we could have stayed friends, but this was decades before things we have today, like Facebook and e-mail, and 11-year-olds are never masters of their own fate. I am saddened by his loss.*

“ *Mike grew up with our girls in Northwest OKC. He was brilliant, funny and very talented. We send our love and support to his mom and dad.*

I just found out that Mike had passed away. We were the closest of friends during Jr High at putnam City Jr High. We played football, wrestled and just hung out. I don't remember his little brothers name, but he used to call me Tank n Hacken. Mike rest in peace brother. Sorry we didn't stay in touch.
