“ *So sorry to hear of Mike's passing. We were teammates on the State Championship track team. I got the pleasure of visiting with Mike at our 40th class reunion in 2013. We will all miss his smile and gentle spirit. May the peace of Christ comfort those who knew and loved him. Rest in Peace Friend!*

Thank you Tom, the family appreciates your words of kindness, and knowing about the State Championship, that's pretty incredible!

I'm a little late with this, but knew Mike from early on. We were closest our freshman year at A.R. on the wrestling team where our proximity in weight pitted us against each other every day in drills and practice. You get to know one another pretty well in that environment. I regret missing our 40th reunion but I remember him as being physically and mentally tough but with a very gentle manner. I can only assume he carried these positive traits into his adult life and am saddened to hear of his passing. From what feels like for off California, my thoughts and prayers are with him, his family and our other classmates gone too soon.
