“ *I just learned of Michele's passing and am SO sorry for your loss! I hired Michele at the Shiloh Museum and was so pleased with her work. She was a ray of light, courteous & welcoming to everyone, and so helpful to other staff members. I'll always remember her bright spirit, great smile, & a few personal jokes we shared. I'm blessed to have had her in my life for a short time.*

“ *Sending healing hugs and love. Michele was a bright light of intelligence, wit, beauty and love. I will fondly remember seeing her smile and laugh as we walked along trails looking at moss, mushrooms and such. She will always hold a special place in our hearts - Much love sent - Kelly & Eric*

“ I have several items that Michele made for me that I have in our home. She made me a beautiful needlepoint picture and some crochet doilies and the cross stitch towels and washcloths. I think of the hours she must have spent making them. I will always treasure them. They mean a lot to me. I wish I could have gone to visit her while she was in Oklahoma City. She will be missed. Our prayers are with you.. Dr. Darryle and Patsy Gibson
