“ *Mick and I spent many hours together, and we often talked about
going to Canada, buying some property in the woods and living off
the land. Time passes and as we grew older we both were saved by
trusting in Yahweh, and asking Him to forgive us of our sins. Now he
has gone not to a property, but to a better place.

“ *I've known Mickey for almost 50 yrs. He was a kind and happy man.
He paid for me to get my ears pierced when I was young, i think it
was a birthday gift. Now everytime i put my earrings on I'll
remember him. Wont be hard, I'll remember him with fond memories
the rest of my days. He was a great brother to me and a great Uncle
to my kids.*
