“ *Myrna will be great missed. It's been awhile since Myrna and I have laughed and talked together. We both worked side by side at Corning Glass together for years. Myrna had a beautiful smile and a joyful laugh. Thinking back on those memories they were good times her and I shared together and Myrna will be greatly missed. Condolences to the family. Sincerely, Roxanne*

“ When I think of my dear Aunt Myrna, I think of the sassy lady who loved me and my family so well. She was always there to sit and visit and was quick with a smart remark. She loved working with her hands and I treasure the baby blankets she made for my girls and the kitchen towels she made for me. I know it seems small but those things remind me of her servant heart and her creativity. I am going to miss her so much and I’m so sad I couldn’t be there to celebrate her with the rest of the family.
