“ *To the Sons and Family of Nadine.*

I first knew Nadine when she worked at the cosmetic counter at Hunt's Department Store along with my Mom, Inez Henderson, who also worked downstairs. I was a young child. I thought Nadine was the most beautiful and sweetest lady I had ever seen...that never changed. Nadine and her Mom, and maybe younger brother, lived just a few blocks up the street from us. I remember her wedding to Paul. They were such a perfect couple. Several years later when Randy was a baby, I had married and had my first baby. Nadine would come to see us. So even though there was several years difference in our ages, we started our families at about the same time. I remember those wonderful days and visits with her. She was there for me, when my Mom died I am sorry that we sort of lost track of one another in later years, but I will always remember her as a special lady and a special part of my life.

I send my sincere condolences to you, Randy and Brian, and a special thanks for the never to be forgotten memories of Nadine and Paul as well.
