“ *I was so saddened to hear this news. She was my friend and neighbor in Albany, New York from 1984 - 1992. I have many fun memories from back then. Although we moved, we had stayed friends.*

Condolences to Marty, and family.

“ *Nancy was a dear friend to a few of us long before she became supervisor at Livingston Memorial Church. We treasure the gift of a wall tapestry she gave us before departing to Oklahoma. Nancy was dedicated to making life better for others through mission support. In her honor and to her memory the Guild at LMC has donated \$250 to World Mission designated to be used for children's inoculations. She will be missed.*
