“ I remember probably about 2 months ago, I was sitting in her room at my grandmothers house, and she asked me what I wanted to be when I grew up. I told her that I wanted to be a navy fighter pilot in the armed forces. She clapped and smiled. She told me that I can do whatever my heart desires. I am going to do that in honor of my great grandmother, Nedra Abel.

“ I met Nedra in 1985, when I went to work at Kirk’s Drug Store West Muskogee. I lost my mother in 1987, she became like a mother to me. She was a loving, Godly woman that greatly influenced my life. We took many trips together with friends to Eureka Springs and Branson. We shared our families, our friends, our love for cooking and our love for The Lord. She was one of my very best friends! I love her dearly and she will be great missed but leaves an amazing legacy. Tell Jesus and Ruth I said hi! She always ask me what I’m going to be doing so I want her to know I’m abiding here til it’s my turn for that trip! Give everyone a hug for me ❤️ Love and Prayers for her wonderful family!
