“ *Great lady. She and Bill were among my parents, Paul and Marjorie East's best friends. I mainly knew them for those social events, and knowing that we three boys were to sit behind them on Sunday at Bethany Presbyterian. Bill, like my father, a sometimes golfer, did our family a huge favor one day when father and Bill were playing golf. Father had a heart attack, and Bill got him back to the club house and to the hospital, where he Fe operated. Great lady.*
