“ *Dear Cindy, Dave, Dean, Kim and Sharon,  
What a glorious celebration I know you will present at the memorial  
service today. Gail was an absolute delight, the epitome of  
unconditional love and a beautiful person physically and spiritually.  
She is gloriously happy in her new home and I knew it was  
approaching because I felt it in my spirit so I prayed for a peaceful  
exit from this earth.  
I will be with you in spirit at the service. In know there will be joy  
unspeakable in all of you and a peace that passes human  
understanding. De will be there to share in the joy and the peace.  
Please come by to see me when you are in town, Dave and Cindy. I  
always love to see you. That goes for Sharon, Dean and Cindy, too!  
With love and friendship,

“ *We are honored at Country Gardens Assisted Living to have been able to spend the time we did with Gail and her sister Kay. Gail was such a strong presence here and residents looked to her for advice and enjoyed her friendship. We are thankful for her teaching a painting class in which all the residents thoroughly enjoyed. She will truly be missed in our community.*
