“ *Oh Mimi....I still can't believe you're gone. You were the most loving, caring and kind woman. We spent many hours laughing and talking. Although I've known you for the majority of my life, we became so very close the past few years. Every time I saw you, I never left without a hug and hearing "I love you, Dee". I know you'll be watching over and guiding us all. I love you, Mimi.*
