“ *Lorene will be missed by us in so many ways. It had become a habit to chauffeur her and Jeannie to Hamlin's after church on Sunday nights. Kenneth and I both commented on the last Sunday night we dropped her off on how well she got around and how independent she was for her age. She was such a blessing and SO much fun. Our small group, God's Gals, Game & Groceries, will never be the same without her. She was faithful every other Tuesday to Ladies Prayer Group and then to our small group for fellowship and games. She wouldn't even let me cancel it for the summer this past summer because she and others needed the time and fellowship together. She was such a joy, encourager and blessing in every way. No one will every be able to take her place in our hearts. We truly loved and appreciated her. Special blessings to all the family.*

“ *I can't think of just one special thing about her. She was one of the most dear people I have ever known. I was not just her daughter-in-law; she always treated me as one of her own. I have so many wonderful memories....many because she was such a great grandmother to all of my 8 kids. In the almost 28 yrs of fostering children she never treated my foster kids with anything but love and kindness. We had over 200 in that time and she never said don't bring them to her home or acted as if they were a bother. I will miss her friendship more than I can ever say!!!! I will miss her prayers but I know that those prayers are still before the father.....Lana*

“ You are in my thoughts and prayers in this difficult time. When I think of Lorene I think of a mighty woman of God. She was a mighty prayer warrior. Lorene not only prayed for individuals on a daily basis, but would follow up to see the progress of answered prayers. She loved people and loved to hear how God was working in the lives of those on her prayer list. She was a loving and caring person, always smiling. She will be missed, but never forgotten.

“ I was saddened to hear the news about Lorene. She was such a dear person. I admired her for always being a sweet, caring person, who had no "airs" about her; always the same good friend everytime I saw her. "What you saw is what you got", which was rich! We worked together for a short time, many years ago; and I got to know her even better then. I loved Lorene and I KNOW she is in Heaven.
I'm sorry I can't make it to the funeral. But you all will be in my thoughts and prayers.
With much love and sympathy,
Melbajo

“ I was so sorry to hear about Lorene's passing. It was a surprise to me & I'm sure a shock to her family. I don't have a special memory of her, but I do remember her smile. I'll always remember that about her ... and what a good mom she was. I send my sincere condolences to all her family.

“ Lorene and Utah took us in as their own children when we were transferred to Muskogee in 1975. She was a mom, babysitter, and giver of advice to two young parents that were themselves in need of parental guidance. ha! ha! Utah helped us get a car and Lorene kept us fed. We will always treasure the memories of such a special couple. All our love to the Freeman family. You are in our thoughts and prayers during this difficult time of loss. David and Donna Cospers
