

Opal Clorene McMasters

November 24, 1936 - May 7, 2018

Opal C. McMasters, 81 of Muskogee, went peacefully to be with her Heavenly family Monday evening, May 7, 2018. She was born November 24, 1936 in Alfalfa, Oklahoma to Lee Roy and Murtey (Duniphin) Ragsdale. She grew up and attended the public schools and graduated from high school.

Family and home meant the world to Opal! She loved to cook and always kept an immaculate home. Always loving and supportive of her family with an amazing amount of strength and endless energy. She had witty humor that would just sneak up on you when you least expected it too. Opal had timeless beauty, elegance and charm that will be remembered forever by family and friends. She never complained; appreciated absolutely everything in her life. She will be missed and loved more than anyone can possibly imagine. Every single day she is forever in our hearts and souls.

Death is a heartache nothing can heal. Memories are something no one can steal. Though others may forget that you are gone, we will remember no matter how long.

Private family services are planned.

“ *Opal was a very fun loving woman. Always kind and full of life. She was very dedicated and loyal to her family and friends. I will always remember her for her elegance. She was simply the Diva! Always having something wonderful cooked to eat and making sure her guest felt comfortable. Mrs. Opal you were simply a jewel and you will be greatly missed.*

I am so sorry I lost touch with my second family over the years. You were like a second Mom to me when Jessse and I were hanging out! I praise God now for putting all of you in my life. May God bless all of you each day of your lives. I hope God blesses me again with each one of your presence.*
