“ I knew Danny when we worked together at Famous. He was such a nice man. I always enjoyed when we worked together. He made the job enjoyable. He had tons of stories to share. He made me feel like we had been friends for a long time even though we only worked together a short period. Anytime I would see him he always had a smile and a laugh. He will definitely be missed.

“ I have known Danny since our junior high school days when he was the student team manager and I played basketball for the West Junior High Eagles. Through graduation at Muskogee High School. He was one of my groomsmen at my wedding in 1977. Danny always had a smile on his face and was a happy go lucky guy. Loved eating the Mexican food that Danny, Juanita and the Hernandez family made when they owned the Country Kitchen Restaurant out on West Okmulgee street. We lost touch after we moved away from Muskogee. But a friend is never forgotten. Rest in Peace Danny. Condolences to the family. Mark W. Webb, D.Ph.

“ Danny was a rare gem. Since I first met him in grade school, he's never changed - always been the same sweet person he was way back then. I will definitely miss his smile, and his hugs.
