“ *Pat was a precious lady. She was my teachers aide when the boys were in school. She loved working with kids. She worked hard in everything she attempted to do. Robert and Michael treasure your memories. She loved each of you so much. She was so proud of you and I am too. We will all miss her smile and laugh. We will see her again in heaven some day. Take care boys, your mother is still watching you....*

“ Pat you are such a beautiful person. From the day I met you there was never a day that went by not knowing that if me or my family needed anything you would be the first in line to help us. You dedicated all your spare time to the happiness of my daughter (Kayla). I will never forget the night I went into labor with Kayla, throughout the whole entire 12 hours of labor in the middle of the night you were there rubbing my feet and my back no matter how tired you were. I could go on forever about the great memories that I have of you but that is my personal favorite. You always put others above yourself, and had the kindest heart. I love you and we miss you! I take extreme comfort knowing that you are above watching over us forever. Your daughter in law/ friend/family Brandolyn Ferguson
