

## Patricia Anne Wilson

March 9, 1961 - December 11, 2024

Patricia Anne Wilson, 63, of Muskogee, Oklahoma passed away Wednesday, December 11, 2024. She was born March 9, 1961 in Vinita, Oklahoma to John H. Pugh Jr and Mary Anne (Scoggins) Pugh.

Patricia Wilson was a beautiful soul.

Her generous and electric personality shined brightly and illuminated throughout the years. She was very smart, energetic, and a just a generally fun person to be around. She was the true life of the party.

She enjoyed spending time with her many grandchildren and other family members as much as possible. Family was very important to her. She was always the one to try to plan a family gathering, adamant about making the precious memories we are so gratefully left with today. She was always the glue holding everything and everyone together. She had a talent of making some of the best lemonade out of the lemons life so consistently dealt her.

There was never a dull moment with Patricia. She had a gift of always finding that one person in the room that she could bear her soul to whether they wanted to hear it or not.

Patricia touched the lives of many people, she was loved by many, and she

will be deeply missed.

She was preceded in death by her son, Emery R. Wilson III; ex-husband, Emery R. Wilson Jr.; father, John H. Pugh Jr; and mother, Mary Anne Scoggins-Pugh.

Patricia is survived by her daughter, Danielle Jackson; granddaughters, Brianna Wilson-Larkin, Sedelia Wilson-Larkin, Khepri Jackson, Akoya Jackson, and Nova Jackson; son-in-law, Tommy Jackson Jr.; sister, Susan Travis; nephew, Jake Travis; brothers, David Pugh and Mike Pugh; nieces, Sabrina Pugh and Mattie Gonzalez; along with other family members.

“A special thank you to her siblings, David, Michael, and Susan for taking care of her final arrangements.”
