“ *To whomever is administrating this page.*

Pat was part of a group of gaming buddies who all counted him as a friend. We've been reaching out to him through discord for months and were all afraid something had happened. This is devastating to many of us, especially me, and I want you and the rest of his family to know that there are many people out in the world who knew Pat (we called him Splatter), cared about him, and will miss him deeply.

We'll be holding a ceremony in one of his favorite games (Star Citizen) to remember him by. If you would like, we can stream or record the ceremony and what is said so you can hear.

Please contact me niemeyerbilly@gmail.com if you would like us to share.

“ Just found this, I am heart broken. I have known Pat for a few years through video games we play together and he became one of my good buddies. To his family, Pat had many friends online, myself included. I miss him, he was special and was my buddy.

“ I worked with Patrick at the VMF & I'm so very sorry for your loss. I was the evening Parts Clerk until I retired in 2018 & one of the few women there. I thought of Patrick as a little brother who was funny & smart & ornery. I know he loved his family & you will continue to be in my prayers.
