“ *I don't know how we will ever get over losing you. I know that you will be missed by all who you came in contact with Pat. I personally was so very lucky to have you in my corner throughout so many ups and downs. I just thank you for always being there, ALWAYS being there.... even if I were wrong in my choices, you had my back. You understood me when no one else did. Our "inside" jokes will be some of the best memories of my life. Love you P.D.*

“ *Patsy always had tge most beautiful smile. Never seen a moment in life as a negative. She was beautiful and had the soul of and angel. She would talk to me daily about her brother David and her Hannah Brooke and Miles and her sweet baby boy Timbo Shane and how is going to be the greatest dad to Maxwell. She would share her photos of her babies and cry because they were so beautiful. I love you Patsy you will forever remain apart of me. My prayers are with the Edgmon family. Thank you for the privilege of caring for Patsy.*

“ *My dear sweet Pasty Cline. You have been apart of my daily life for the last couple of years now and I certainly will never forget any of it. We have laughed together sometimes so hard we both had tears in our eyes. Your smile always lit up the room an everyone at Brentwood loved our Patsy. I loved how you always knew me you are Erma's daughter Christy. You will always be in my heart my dear. Sometimes we have that one patient you can't help but get attached to for me that was you. You were and always be my friend love ya sis*
