“ Paul and I have been friends for over 40 years and in that time we shared a lot of memories! He helped me build a street rod and I helped repair his drag boat back in the day. Our conversations always came around to engine building and his love of racing. He will be greatly missed by me but, never forgotten . My sincere condolences especially to Paul Sr and Betty . Love you all

Paul, Jr (whom we called P.J.) was a great guy and a close friend. He was a part of our "West Spruce Gang" and we all spent a lot of time together in the neighborhood. He was like a brother to all of us. I was so sorry and saddened to hear of his passing and love, thoughts an prayers are sent to his patents and family as we share in their loss. He will be greatly missed and always remembered for his smile, sense of humor, his kindness, and caring. We love you P.J.!! RIP, MY FRIEND!
