“ There were alot a great memories of uncle Paul but they also are memories of my Aunt Patty. I remember times of going out to eat or eating at there house or sitting on the porch at grandma and grandpas. Enjoying conversations and LAUGHING ALOT!!!! One thing I will always remember about Paul is that he liked to tease and he would say something silly and aunt patty would give him look and and smile. They were such good memories I will never forget all of us hanging out. Paul and patty have always been my favorite uncle and aunt they always been there with kind and uplifting words,smiles,laughter. The thing I remember most and is dear to my heart is my grandpa and grandma and being at there house and everyone would come there and hang out and eat, being with cousins or seeing my other aunts and uncles. I miss that so much and know someday we will meet up again. There are so many great ppl in heaven and I look forward in seeing everyone who is there. I will miss you uncle paul❤️
