“ I've have know Paula since I was a very young girl. I worked at the Restaurant for several years as a young teenager. It was like we were one big Family that's how she always made me feel. Paula always had a big smile and you also knew when she was serious. I always though it was so cool that she could clean all those catfish in the back room of the Restaurant and never complain about it and I'm sure that there was not anything she didn't know how to do. Paula was loved by many and she will surely be missed. My thoughts and prayers go out to all her family.

“ Paula had a wonderful servant heart. She served as a waitress at Martin's Restaurant in Okay for many years. She was the best waitress we had found anywhere. My parents always wanted her to wait on their table whenever they went to Martin's because they knew she would serve them well. She was highly regarded by our family. Paula will be greatly missed. Our love and prayers go out to Benny, Brandon, Dana, Adam and all the other family members.

“ I remember a very fun day with paula in the snow. We were sledding behind Richards truck on an old car hood. We hit a bump and went flying. Fun over...lol it kinda hurt us both. That's my favorite memory with her.
