“ *Here we are at the end of another year. I can't believe you've been gone nearly 8 years. I still miss you and think about you every day. Our world is going crazy now, so many things have changed. I think Jesus is coming soon. I'll be glad for the day that we are together again. I can't wait for you to tell me what you've been doing in Heaven all this time. I dream about you often, those are happy dreams for me because we are always together doing something fun like we used to do. I love you, mom, and I can't wait to be with you again.*

“ *To my sweet little mama, I love you so much, I miss you everyday. I think of you all the time, so many things will remind me of you, just simple day to day things. There's always something that triggers a memory of you, and I will tell my friends about you, something you said or did. They will just smile and hug me because they know I miss you so much. I know you're having a wonderful time with our Lord and Savior, Jesus Christ, and I know you wouldn't want to come back here, I'll be glad for the day when we are together again. I love you!*

“ Mom, I think about you every day. My heart breaks over and over for you. Sometimes it's so hard to see beyond this pain. I know you ate with The Lord and you are safe and happy and healthy, but I can't help but miss you. I love you!
