“ After moving back to Oklahoma 20 years ago, we needed a electrician. Lucky for us, Steve was highly recommended. It only took our first appt with him to realize we had found not only a highly qualified and professional electrician but also a friend with whom we always enjoyed spending and sharing time...He cherished his family and felt comfortable talking about them. Knowing Bob was in the Marine Corps added another layer of familiar ground as one of his sons was also new to the Marines. That common bond provided ,additional moments and stories with him. We treasured his expertise and time with such a happy, kind and humble man. He appealed to many because of this rare sterling character. We were shocked and saddened to learn of his passing. We believe that his life mattered immensely and he will be deeply missed by many. May those who had the good fortune of knowing him be comforted by many sweet and special memories. We are grateful to be among them. Much love to his family and friends. Carolyn and a Bob Watts

“ Worked with Steve “ Wally” Walden at the Fire Dept for the twenty some years he was there. Wally always had a smile on his face and something to tell you. We shared an obsession with collecting “ treasures “ at auctions and any place stuff was sold. Many moons ago I helped him rebuild a 1958 Ford 4 wheel drive pick up! He was the “ go to guy” for many people, including our family. It sadden me to no end when I head of his passing. He was my friend! But... he died as he lived.....helping a friend! That’s the way he was! I will miss him. Lorraine and Steve “ Bones” Hill

“ I can't say how long Steve has been a part of my family but I do know if I ever needed Steve he was always there ready to lend a helping hand no matter the day or time Steve was right there for me and my family. This world is not our home, and we are just passing through. On your journey you have touched many lives. I talked to you on last week and we were joking around about houses. It came as a shock to everyone. To Chris I'm only one call away, whenever you need me. You are a part of my family and I share in this pain with you. Be Strong and continue your Dad and Grandpas Legacy make them proud in everything you do. Hold dear to all they have taught you. Remember the good times and memories you have shared. Hold that special place in your heart for him and never let it go. We Love you and stay Strong.

“ We share in your loss and offer you prayers for strength and comfort now and in the days ahead. Steve will surely be missed by all who ever came in contact with him. He was always willing to lend a helping hand or offer sound advice...his motto seemed to be "if I got it,you've got it". His service to the community as a Fireman and Electrician literally defines him as a "Good and Faithful Servant" . And His BIG HEART endeared him as a friend to all of us.

Steve and Tammy were our neighbors as our kids grew up. My kids were at their house or they were at ours. I have never seen Steve without a smile on his face. He was so proud of Tammy, Rosetta, Chris, Jessie and those wonderful grandkids. Everytime he talked about them he would have the biggest grin on his face. Our hearts go out to you all. He will be missed. Janie, Stevie, Jason.
