“ I will always remember Randy for his friendliness and how funny he was. He was always nice to everybody and I never heard him complain. He had a great outlook on life. I know that anybody that ever knew him called him friend. Im glad to say that I had the privilege of knowing him and calling him my friend. He will be missed by me and everybody who knew him. I know he is looking over all of us now and as sad as we are I know he is smiling because we all know there is no sorrow in heaven, there is no pain in heaven, there are no tears in heaven. Have a blast in heaven brother, I will miss you!!

“ I will miss you my friend, I'll never forget the "Kid at Whittier school with the Honda mini trail" Then I learned your name and always enjoyed seeing You and Your Dad coming down Kentucky street on the motorcycles and enjoyed visiting with you then and through the years each and every time I would see you with that smiling face,Randal you were one of the happiest people I have ever known and I was proud to call you my friend,God called you home too early...Because he needed cheering up and Randal You Were the Man to make God Smile. Rest In Peace My Friend--I'll see you later...
