

Randy Gene Parsons

January 22, 1964 - April 12, 2020

Randy Gene Parsons, 56, of Muskogee, passed away peacefully at his home, Sunday April 12, 2020. He was born January 22, 1964 in Muskogee, OK to Samuel and Betty Jean (Husted) Parsons. He grew up and attended Muskogee Public Schools, graduating with the class of 1982.

He learned at an early age he was good with construction, later working most of his life as a brick layer. He enjoyed this career until his health required his early retirement.

Randy enjoyed hunting, fishing, and camping; anything that had to do with the great outdoors. His family and friends remember spending time with him out in his shed at home talking and listening to the music, as loud as it could go! He was loved and will be missed by all those who knew him.

He is preceded in death by his son, Ryan Morris; his parents, Betty Jean and Samuel Parsons; his brother, Sammy Parsons; and nephew, Brandon Ware.

Randy is survived by his wife, Vicki of the home; daughter, Channing Miller of Muskogee; grandson, Tripp Miller of Muskogee; his sisters, Tamie Ware of Ft Gibson, Cindy Tillman of Muskogee, and Connie McDonald of Bartlesville; his brother, Bill Meade of Broken Arrow; several aunts, uncles, cousins, nieces and nephews.

Public viewing will be on Wednesday, April 15, 2020 from 9:00 am until 8:00 pm, and Thursday, April 16, 2020 at Cornerstone Funeral Home from 9:00 am until noon. His family will celebrate his life with a private family service with Rev. Roger Pratt officiating. Honorary pallbearers will be Jeff Pitts, Mike

Villines, Sammy Ware, Tripp Miller and Mickey Mulley.

“ My sincere condolences go out to Randy’s Family , especially his wife Vicki Parsons.

I couldn’t even start to tell the many stories, laughs , lies , truths , fables , etc that I’ve shared with Mr. Randy Parsons

There will never be another man quite like him

He loved to Fish , Hunt , drink , and he loved his Vicki Lynn

And his little dog “ wienerPoo “. Or Little Man “

He watched over my homestead consistently....

And knew more of what went on this little mile section of county road than anyone else around.....

He could tell you What bait or lure to use for good fishing any time of the year

He also was pretty good at predicting the Whitetail deer Rut

Of course I can’t say where he acquired the information on the deer rutting

But I do know he liked to keep these old dirt roads warmed up and always had a very cold drink in his hand !!!!!

Lol

I’ve never seen him waste any game he harvested

In fact he would give the majority of it to someone less fortunate, who needed it ,

And was hungry than to keep it for his self

He was always grateful to me if I had helped him in some way . And was always quick to offer me a Cold Beer even if it might of

been his last one and that's saying something for Mr. Parsons.....

Because he loved his ICE COLD BEER.....

I could go on rambling and rambling about my neighbor and dear friend Mr Parsons.....

But I won't ,,,,, , But I will truly miss him ,,,,, ,

And until we meet again Mr Parsons.....

I sincerely Thank you for being a good friend and neighbor to me and my family.

Sincerely,

*Mike Villines
