“ *Richard was a good man and I am glad that I got to know him back in Oregon. His older brother David and I were best friends back then! We all worked for Richard's dad Fred at a mill in Manning, OR. My heart is broken for Richard's family and for all of us who loved him. May God hold you and comfort you during this painful time.*

“ *Richard was my best friend. He was the nicest Godly man a person could know. When my husband-his brother passed away he became Lexy and I rock. He helped so many people and never questioned it. I already miss him so much. It's going to be hard going to church and him not sitting there beside me or helping me teach our class. He had so Much knowledge about the Bible. He took a part of me to Heaven with him. Till we are together again for eternity.*
