“ *I have known Little Richard since he was a little boy. He never changed from being a gregarious fun loving kind of guy. Richard was deeply devoted to his family. For years I was his realtor and he loved wheeling and dealing and was quite successful at his ventures. I will always remember his life revolving around his Bridgett. He adored her and was a doting dad. I will miss his huge smile, warm hugs, and many laughs we shared. He was a special kind of light in this world with a huge heart.*
