“ My best memory of Rick & Brenda will always be when I first met Alan 47 years ago and they would have us over to their first house and we would have game nights because we all couldn't afford to go out. Then always having a giving heart Rick loaned us his sporty car to go on our honeymoon instead of Alan's Rambler...we felt so important 😭😭...and as always being ornery like he was since trading cars he was able to leave a small gift in my suitcase. Every year at our anniversary he would remind me of that joke he was able to pull off. My heart breaks for Brenda, Lori and Stacy and grandkids and pray for comfort and peace and love that only God can provide. WE LOVE you ALL. A blessed brother in law to have had him in our lives.
