“ *First time I met Rich he jiggered me back on Norfolk Pine Unit. I was fresh out of the academy. My first impression was what a jerk. I was not real sure what kind of officer would jigger out another officer, but that was just Rich he would get the biggest kick out of something stupid like that. He was responsible for me joining the Navy Reserve I'm sure he got some kind of kickback for that. I left DOC and he came to work with me in Colorado we had some good times out there. I will miss him as will anyone that new him. He had a great sense of humor and the thought of him puts a smile on my face. He was a good friend, and good man. Rest In Peace my friend.*

“ *Thinking of you all at this time. Richard was a wonderful person and always had a smile on his face. Every time I would ever see him he would greet me with a hug and be so nice. You are such sweet people. I had the pleasure of staying nights at your house when I was younger with Jennifer and going to y'all's church. All of you were always so nice and caring. I love all of you guys and are praying for you all! Lots of love, sincerely Sassy Moats (maiden:Anderson)*

“ Remember when he took command of the CERT team. He did a facility wide shakedown. Smooth and professional job. He was always a go getter. Always did a good job- wouldn't accept anything less. Had a sense of humor and loved his family. God needed him for work in heaven.
