“*Marcie, Julie, Eddie, Kenneth - I was devastated to hear of Dickie's death. While no words of mine can ease your loss, I want you to know that I am grieving with you and thinking of you constantly.*

Dickie will be sorely missed by so many. ALL of Muskogee is poorer for his death.

I was so grateful to be able to stay in touch with Dickie (and the rest of you) even after my babysitting years were over. After I moved away from Muskogee, almost every trip back home included a stop at Homeland where Dickie always greeted me with a big smile and insisted on helping me do my shopping as well as seeing me back to my car. Occasionally, I would run in to him at the mall when he was on his daily walk and we would sit and visit for a while.

I know your memories of him will be a comfort to you as they will to me.

Love you all bunches and bunches and let's plan on getting together soon.

“ I remember Dickie growing up and when he wanted to be called Richard but I would always remember him as Dickie. I have known the Yadon family sense I was 12 years old. That’s around 50 years. I consider them family and love them very much. The family will always be in my prayers.
