“ Love you Ricky! You were definately one of a kind, he broke the mold when he made you. I know I am one of the lucky ones who got to meet you and call you a friend, and I feel sorry for the people who will never get to meet you. You will be missed my friend!!:

Ricki was a good friend who I will never forget. I will never miss his driving.....100 mph all the way. It didn't matter what Ricki was doing if you was a friend he would drop everything he was doing to help you if you asked him. Until we meet again my friend....
