“ Robert was a very caring cousin. Staci and Robert would take my oldest granddaughter out to the movies and buy her birthday gifts. Robert told us when he was going to Az with us when we were taking him to his house to get some clothes how to get to his place and he told us just get on any road and it would take you there. We laughed so much over that. Love you cuz and will miss you very much. RIP Robert tell all the family up there hi.

“ Rob, was one of my favorite cousins. He came to AZ and lived with us for awhile when he was 17. He lived to visit AZ and had plans to move here someday. He loved Lake Havasu and would go there and he would walk out in the lake as far as he could still stand. We had a lot of fun and we both shared a passion for music. I'd take him to see some live local bands when he'd come out to visit. When we went out to Oklahoma he took us to see Stevie Nicks, he adored her and he really was just in awe of her beauty and her vocals. He made me laugh and he was the most compassionate and caring person. I don't think he had a mean bone in his body. He would stop to help out the homeless. He would talk to them. He is going to be missed so much and I know I'm going to miss him coming out around 4th of July he liked coming to AZ when it was really hot. I love you Robby.

“ *Robert was precious, kind and generous. My first memory was him wearing Brut cologne. He would do anything for his friends. He had the most charming sense of humor and a wonderful smile. This world just wont be the same without him but heaven has gained a beautiful angel. My prayers go out to his family, Alta Hayes*
