“ *I have many memories of Rob. The Sig Tau Days at NSU, Brown Derby, the car ride to Kokomo Indiana, Sandy drove the whole trip. Working at the CNC lathe shop, having kids close in age, river float trips, your annual family camp trip at the lake, helping me, well, you building things for me. Always enjoyed visiting with you and Sandy. Your laugh, smile and reasoning will forever be with me. Glad I was able to be a part of your journey.*
