“ *I served with Robert in the Marine Corps. I was his OIC and I clearly remember the day he checked in. I told him he was the ugliest person that I had ever met. He threw it right back at me. We had good times together and I'll always remember him as an outstanding Marine and human being. Why does God always take the good ones so soon? So sorry that he is gone but, I will always remember him. Semper Fi brother. Rest In Peace. Save me a place at the bar. We'll have a few when I get there.*

“ I knew Robert as a highly intelligent man who shared his vast knowledge with his co-workers and was a very positive influence on everyone he met. He was a good man. He will be missed. We talked about drones every time we saw each other. 😊

“ Robert was a very kind and generous person. He would always send jokes and memes to my messenger almost weekly and kept me smiling. Jeff considered him a good friend and was blessed to have worked with him and to have his friendship. When we moved to Illinois for 3 years he stayed in touch with us. He will sure be missed!
