He worked all over the world helping others such as being a consultant and placement specialist providing employment and career counseling to the youth in San Francisco and in New York. Roger was a consultant for many Community Actions and Public Transits, some of those include KI BOIS, CAF, Muskogee County Transit, and Muskogee Creek Nation Transit. Roger was very proud of his accomplishments and very good at what he did, and he received many awards to prove it. Some of which includes receiving the President's Award twice for the Oklahoma Transit Association, and having a brick laid in his name for the Preservation and Restoration of the Kansas City Southern Railway Depot in Stilwell, OK. But most of all, Roger loved his dog, Toby. He loved Toby so much that Toby has his pictures all over the world. Roger impacted many lives and left an impression on all those that he met. Roger will be spoken about often and greatly missed.
