“ Tuesday night, March 17th, Marley and I had the pleasure of spending about an hour with Ronnie at church. He was encouraging Marley by telling her she could do anything if she just searched her heart and let God lead her. He continued by telling us how proud he was of all his children and the accomplishments that can happen even when things don't go as we plan them. Ronnie will forever be remembered as a man who loved being in the church serving the Lord. This showed time after time when he would come not feeling well at all but wanted to offer his talents to the Lord anyways. He had many a reason to miss at times but excuses were never a part of his character. Until we see you again Ronnie.
