

## Ronald Lynn Sells

July 31, 1953 - April 21, 2022

This April 21, 2022, Ronald Lynn Sells passed away surrounded by family, after a difficult battle with Alzheimer's.

Ronnie, "Awnry", "Roonie", "Toad", or "Ron" was born on July 31, 1953 and lived his life in Muskogee, OK. He worked as a welder for 29 years at Acme Engineering and then at Georgia Pacific as a forklift operator, where he was affectionately known as PaPa for 8 years.

Ronnie is survived by his wife, Lisa, daughters, Angie and Tammy, grandkids, Levi, Raley, Koby and Nate, and son-in-law Matt. He also has many loving brothers, sisters, family and friends.

Grandpa spent much of his time outside perfecting his lawn and enjoying the birds. He was known to measure not once or twice, but maybe three or four times. Nails were not good enough for him. For every nail anyone else might use, he would use 3 screws. He never met a dessert he didn't like, and he was an expert at making the perfect bowl of ice cream. He loved spending time with his grandkids. Although he never raised his voice out of anger or frustration, he lived for the moments he could scare everyone with his famous scream.

Ronnie was a dedicated, loving, kind and gentle husband, dad, grandpa and friend. He will be forever loved and remembered and terribly missed.

A service will not be held, but he will be honored in a private celebration of his life.

“ *Lisa: I just learned of this and I am so saddened. I knew Ronnie for many, many years. He and Lisa were very special friends to my ex-husband and I. He was such funny man - always making jokes.....We made a lot of memories that I still think about every time I visit Muskogee. I will keep you and the girls in my prayers.*
