“ *Ron was a part of our family for 25 years. We fished, camped,hunted, laughed and prayed together. We sat in freds parking lot and solved the problems of the world together. Eating a sausage biscuit,several days a week. We prayed for each other's family and friends and the less fortunate. Two grown men sitting in a restaurant holding hands to pray. This is what I will remember. Ron I know where you are. And we will continue to pray.thank you for the lessons we learned form you. Love one another.*
