“ I had the honor of meeting Gene and Ruby when my husband and I decided to attend Trinity. My grandparents went to church their entire adult lives and I spent many Sunday's in a church pew with both of them. Ruby was such a sweetheart. She introduced herself to me, then pointed to Gene and said, "I belong to him". This made me smile from ear to ear. She and Gene both shared stories with me of my grandparents from many decades ago and I treasure each story they shared. Ruby was precious in every way. Both she and Gene will be missed.
