“ I spent a lot of time with Ryan growing up...he is my cousin and a great friend throughout the years... i can always remember Ryan loving to mess with everyone's vehicles.. loved to look, learn, fix, and modify them.. i remember one time one of our fourth of July celebrations he put the biggest round of black cats in my mailbox and we were trying not to be too loud, but then it was too late... it was funny though and we pretty much destroyed a metal mailbox shot the door right open and was so loud i am sure it was heard for blocks... Mailman smelled firecrackers for weeks...just things we all did goofing off. .. We all went mudding and up to Tulsa frequently either all of us out to eat or to the Hard Rock. Ryan loved Chinese and Mexican food, but what I will surely miss is all the times we grilled out just enjoying a nice day and each others company. Ryan was at any celebrations and enjoyed having fun and loved his family and friends. He really did care about people and was always helping someone out. You will be so missed my cousin and my friend. We all love you and will always cherish our memories of you.

“ *Dear Robert, Shirley, and family,
Our thoughts and prayers go out to you all at this time of sorrow. Alexis and I have prayed for Ryan and all of you every night. I will cherish the memories spent with Ryan forever, especially listening to Lloyd, Kristen, and Ryan compare their vehicles and racing. I've always admired him for holding down two-three jobs at a time and getting very little sleep, but he was always there and ready to do things with the kids. I will forever be grateful for his dedication, love, and support for all of our family. He is irreplaceable to all of us. With sincere love, Shelley Cooper*
