“ *Hey dad. I miss you like crazy man. What I would do to hear your voice even over the phone just one more time. I love you and I'm thinking about you everyday. That's why I'm writing this. Sometimes I just look up your name and look at pictures online or write on here. I cried for about 2 hours last night. First time I have in about a year. I gotta stay strong for mom and Matthew. I love you ✨!*

“ Rhyno, I miss you like crazy!!!! I know you knew how much you meant to me and how much we loved you. And I know you loved us. So I have a lot of peace from that. I miss your voice, your laugh, having you over for dinner, and the concerts we had in my living room. Dancing and singing to each other. Got out of hand and broke my light fixture on the ceiling last time. But was always a blast. I have my memories, and will see you again one day. Love you forever.
