“ *Bud and Lynn and family...*

To say "I'm so sorry for your loss" doesn't come close to what my heart wants to say to you. I pray that God holds you all in the the palm of his hand and gives you comfort today and the many days to come. I know he'll wrap his loving arms around you and give your hearts the peace you need to get thru. I wish I could be there to hug you both tight, but please know how special you are and how very much you are loved by me and my entire family.

Love you...
