“ *To the family of Sam I want to express my deepest sympathy for your loss and will keep you guys in our thoughts and prayers. I know that at this time you as well as I are thinking of the many wonderful experiences we shared with my friend Sam. I can not count the many little league games that we spent together watching our sons play and 'critiquing' the umpires, those were great times. We watched so many games, we thought we were better coaches than what they had, we even tried our luck at coaching, I hope our sons have forgiven us. May we all cherish the many fond memories.*

God bless, Wendell
