“ Soothing as a cool evening breeze,
When I think of you I am reminded of these...

*Letters of love to show how much you cared,
Phone calls out of the blue & the stories you always shared.*

*Always there to greet me with a hug & a kiss,
So many small things make up the million reasons I'll miss...*

*My Grandma's stern but calming ways,
Her no nonsense attitude & laughter for days.*

*Pride in her family shining bright in her eyes,
The Rock of the family her love never dies.*

*Kisses blown, not meant for good-bye,
Just a see you soon, no reason to cry.*

*Remembering these things my soul is at ease,
Thinking of My Grandma, soothing as a cool evening breeze.*

Love you Grandma, I'll always be your "Cheech" <3
